Ms. Alverine,

I have the certification form for EPA-R4-2014-4266 (February), no further information is needed for that FOIA request. I do need Lee to review/verify if information is available for the new request received.

Please let me know if you have questions.

Thank you

Hi Donna,
You did send attachments with the first request you sent, so I have it and I also got your voice mail message and that makes sense. So I have advised Lee Furse to check for February and that we may be getting more for different months. Thanks for explaining it.

CERTIFICATION OF ADEQUACY OF SEARCH ON
"NO RECORD" RESPONSES

I, LEE FURSE, certify that I am employed by the Environmental Protection Agency, Region 4, in Atlanta, Georgia (or acting as a representative) as FOIA Specialist, that I am familiar with the records requested and/or that I am responsible for conducting the search for responsive records for Request Identification Number: EPA-R4-2014-00 -4719 and that I have conducted an "adequate" search for responsive records by searching the below listed location(s) (as applicable):

PESTICIDE IMPORTS TRACKING SYSTEM
CB1 IMPORTS FILE

I further certify that I am aware that a search for responsive records need not be perfect, only adequate and that adequacy is measured and/or determined by the "reasonableness" of the effort of the search in light of the specific request. Specifically, I have searched for the documents in all places that it is practical for the documents to be located. Moreover, after conducting an adequate search for records on behalf of the AIR Division Unit, I have located no records responsive to this request or portions thereof. Further, I am attaching an itemized listing of all records which my search supports are not in the Region's possession.
